Dear Judge Block:

CR-04-140-SL(FB)

I am writing to you, first of all, in order to wish you good health, and I would like to move on and tell you the following:

In my previous letter I inquired as to how to substitute my attorney, John S. Wallenstein, but as I have not received a reply I am now forced to repeat my request, and give you the reason for which I am writing to you:

- 1) Mr. Wallenstein is always threatening and accusing me and forcing me to plead guilty to something in which I have never participated, and saying that if I do not sign, they will give me many years, and I see that this attorney is not my defender, but my accuser.
- 2) I would like to inform you that one year ago my family hired a private investigator, called William Acosta, located at 90-15 Holland Ave., Rockaway Beach, in the city of New York, with Zip Code 11693 and telephone (347) 723-8496, who has information about my case.
- 3) I thought I should write to you in case you can help me with this. Besides, Mr. Wallenstein does not want to communicate with the investigator. I have told him about him many times and he ignores me. He says that the information he might have is not important, since it doesn't make any difference.

Please, I would be immensely grateful if you could help me with this case, and God will give you an even higher position than the one you have.

Thank you very much and may God bless you with riches and prosperity..

Sincerely,

Consuelo Carreto Valencia
